ABOUT PICASSO

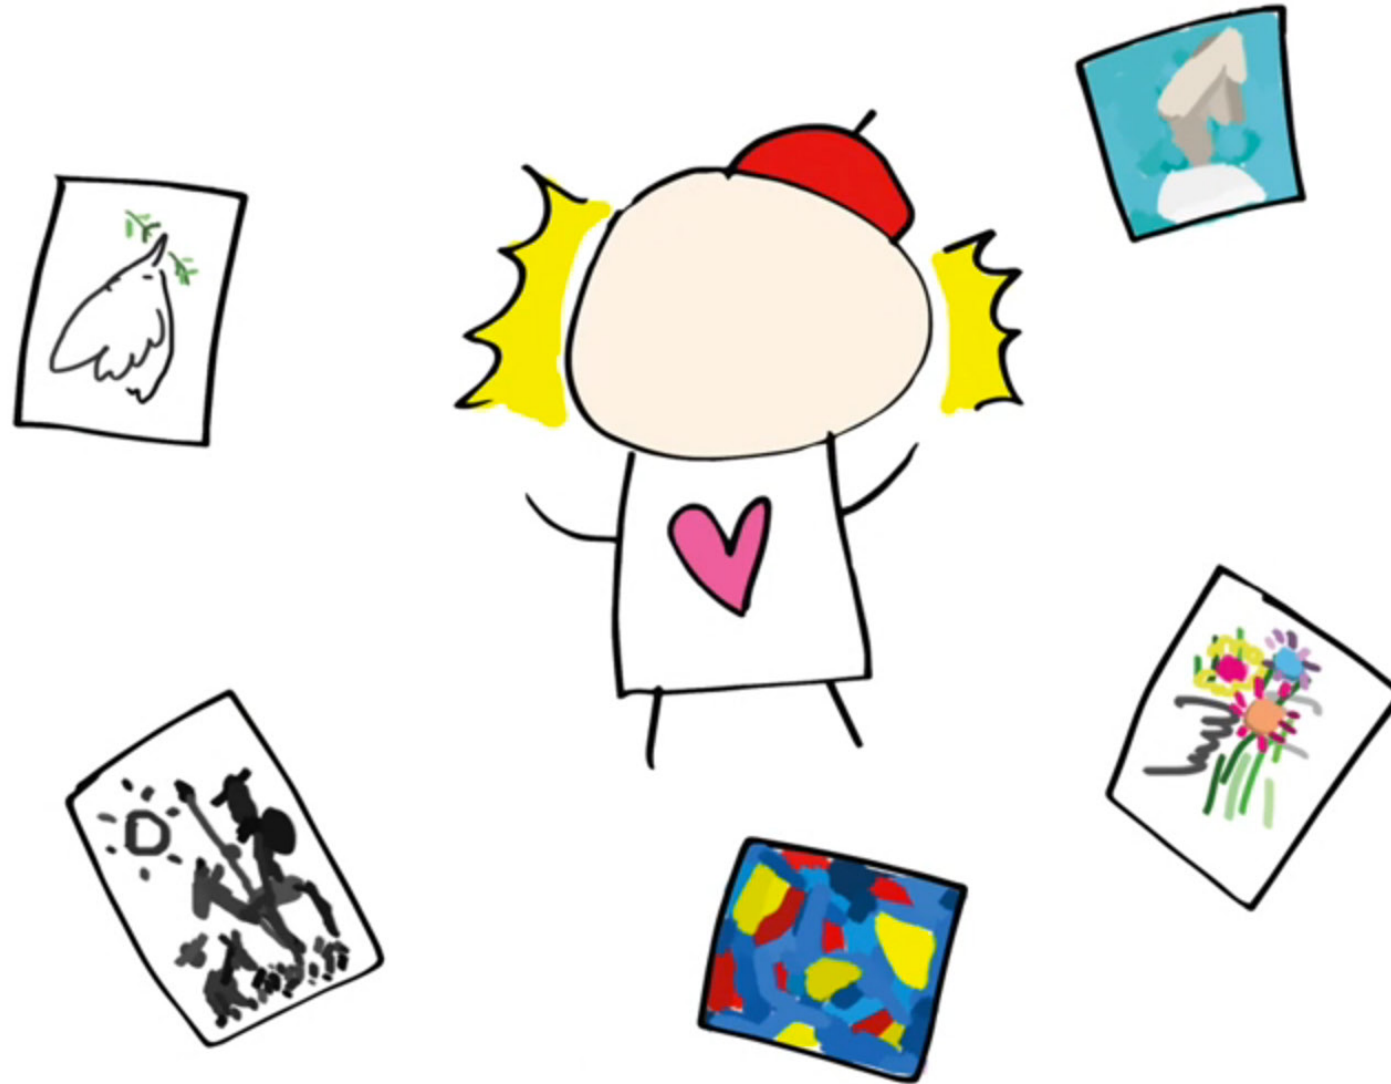

Picasso was an artist who made all kinds of art. He made paintings, sculptures, and even costumes!

← FROM A BIKE SEAT!

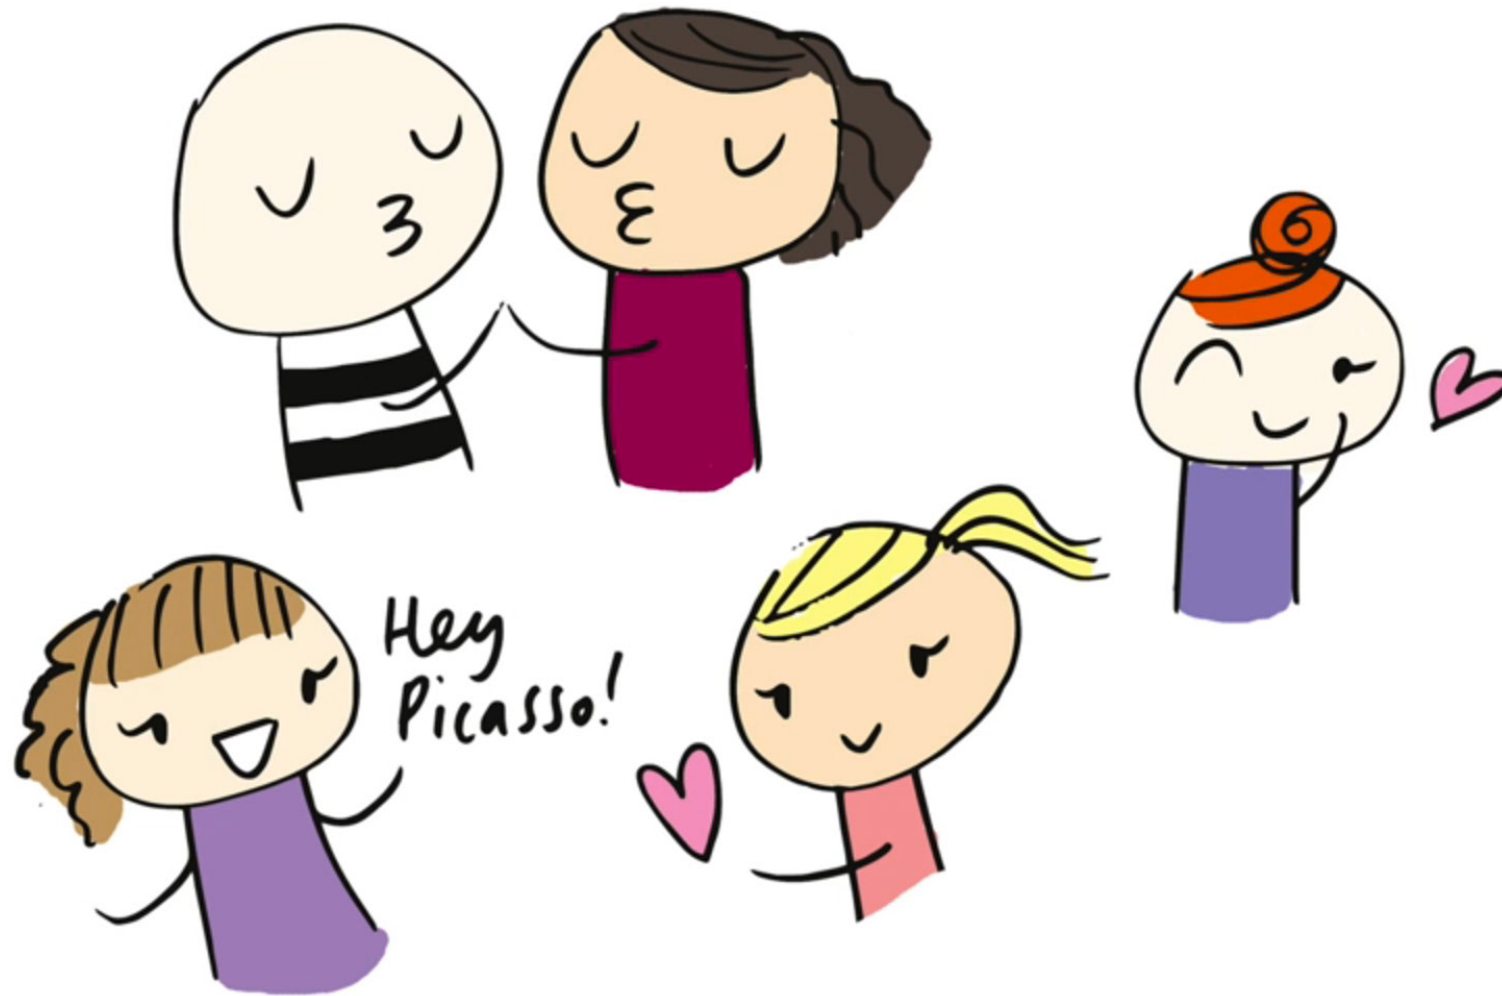

Not only did he make all kinds of art,
he made LOTS of art!

Over 500,000 pieces!

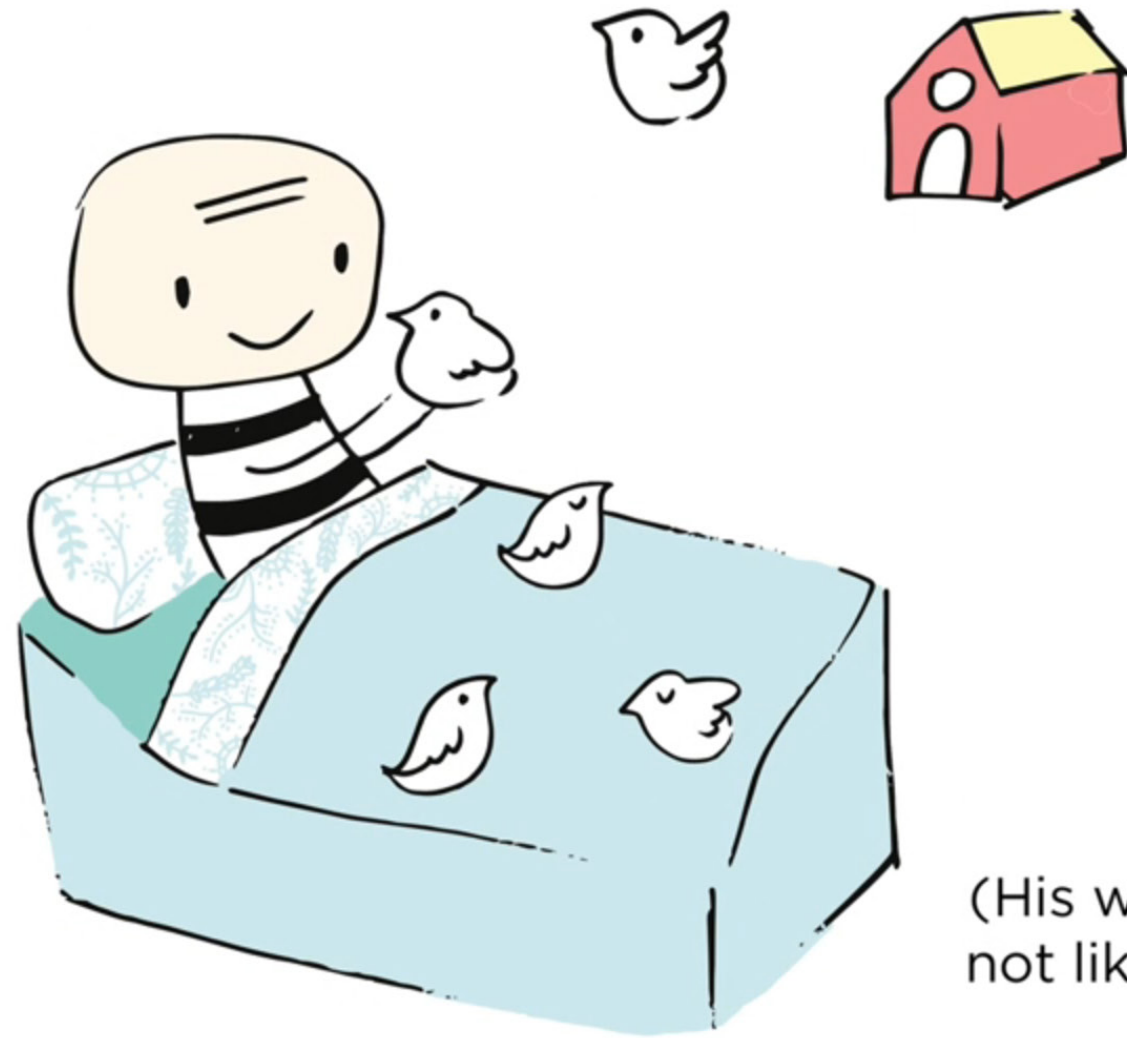

Picasso was a very passionate person.
He made art with all his heart and energy.

He was also very good
with the ladies.

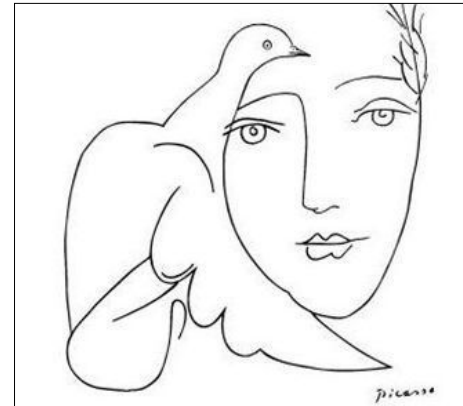

Picasso loved doves. He built birdhouses in his bedroom so they could visit.

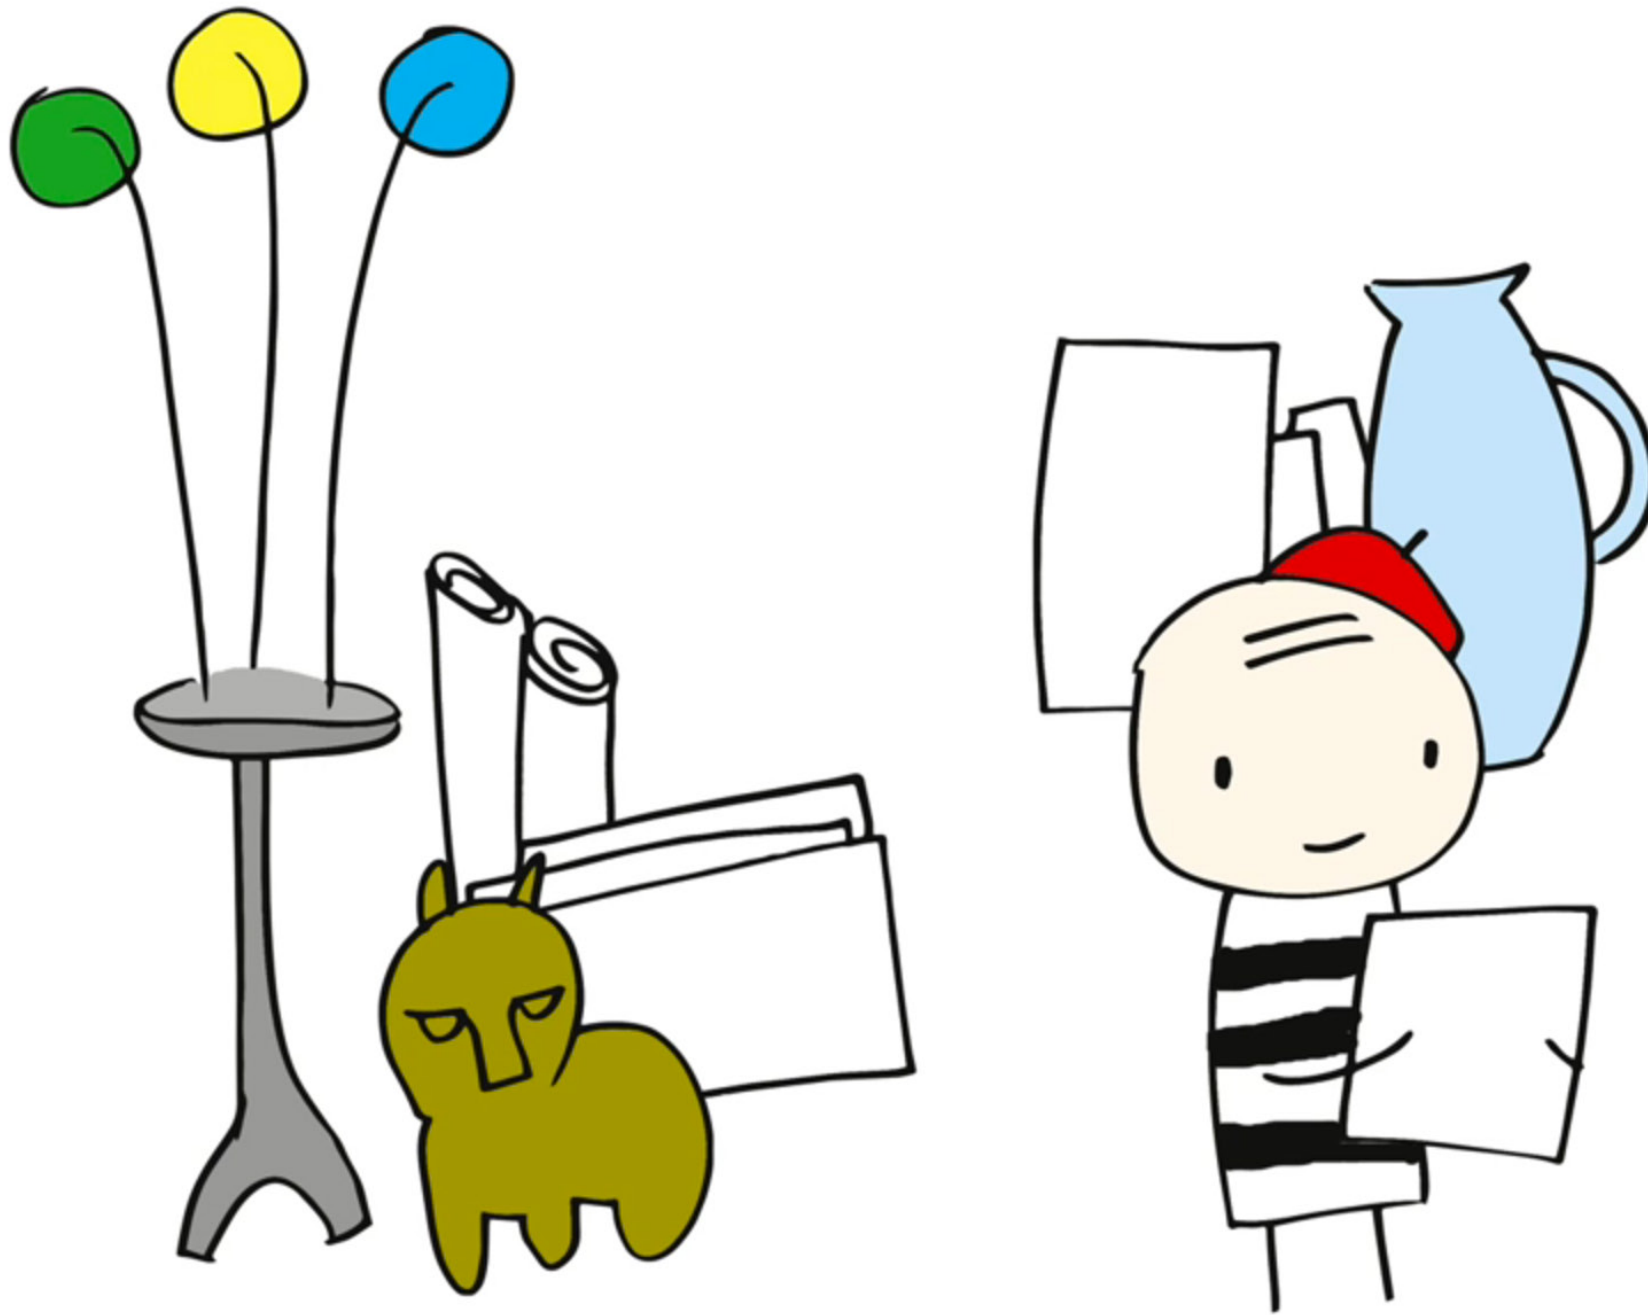

(His wife did not like that)

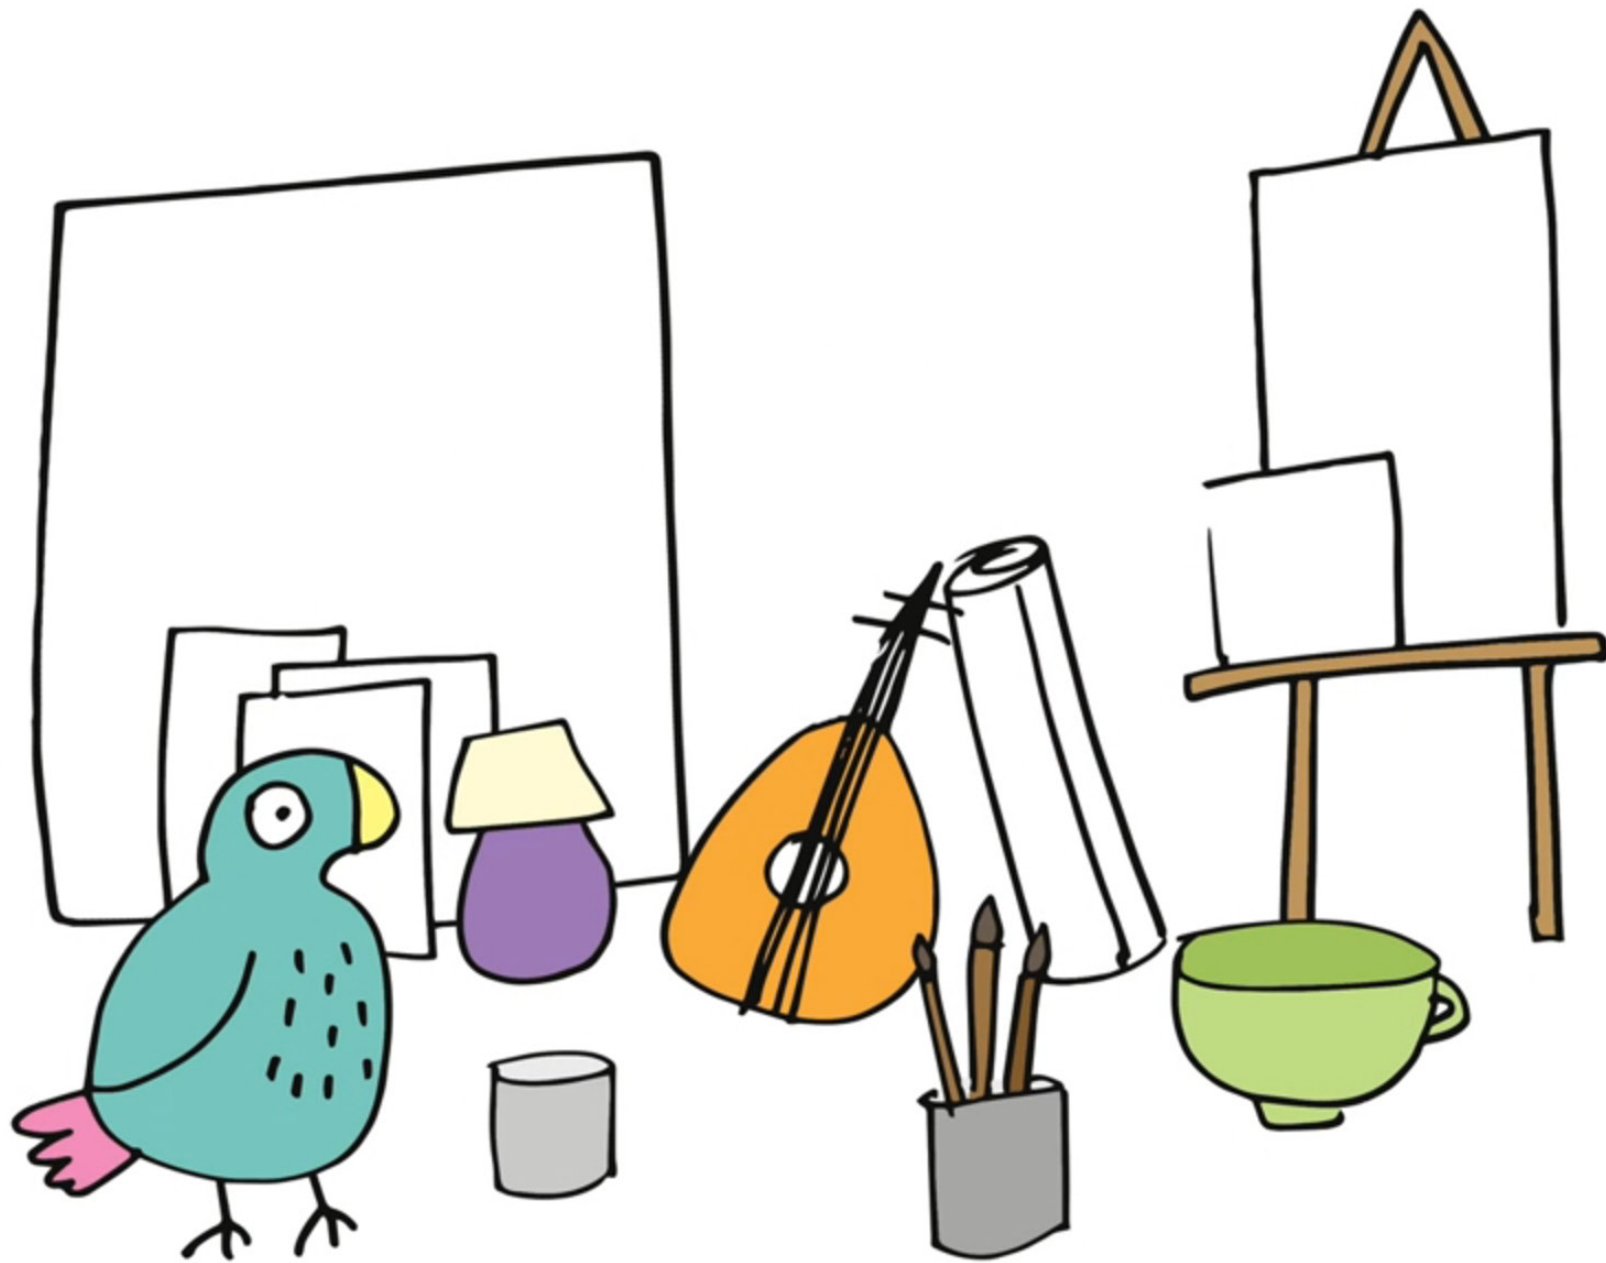

There are quite a few dove paintings that Picasso made.

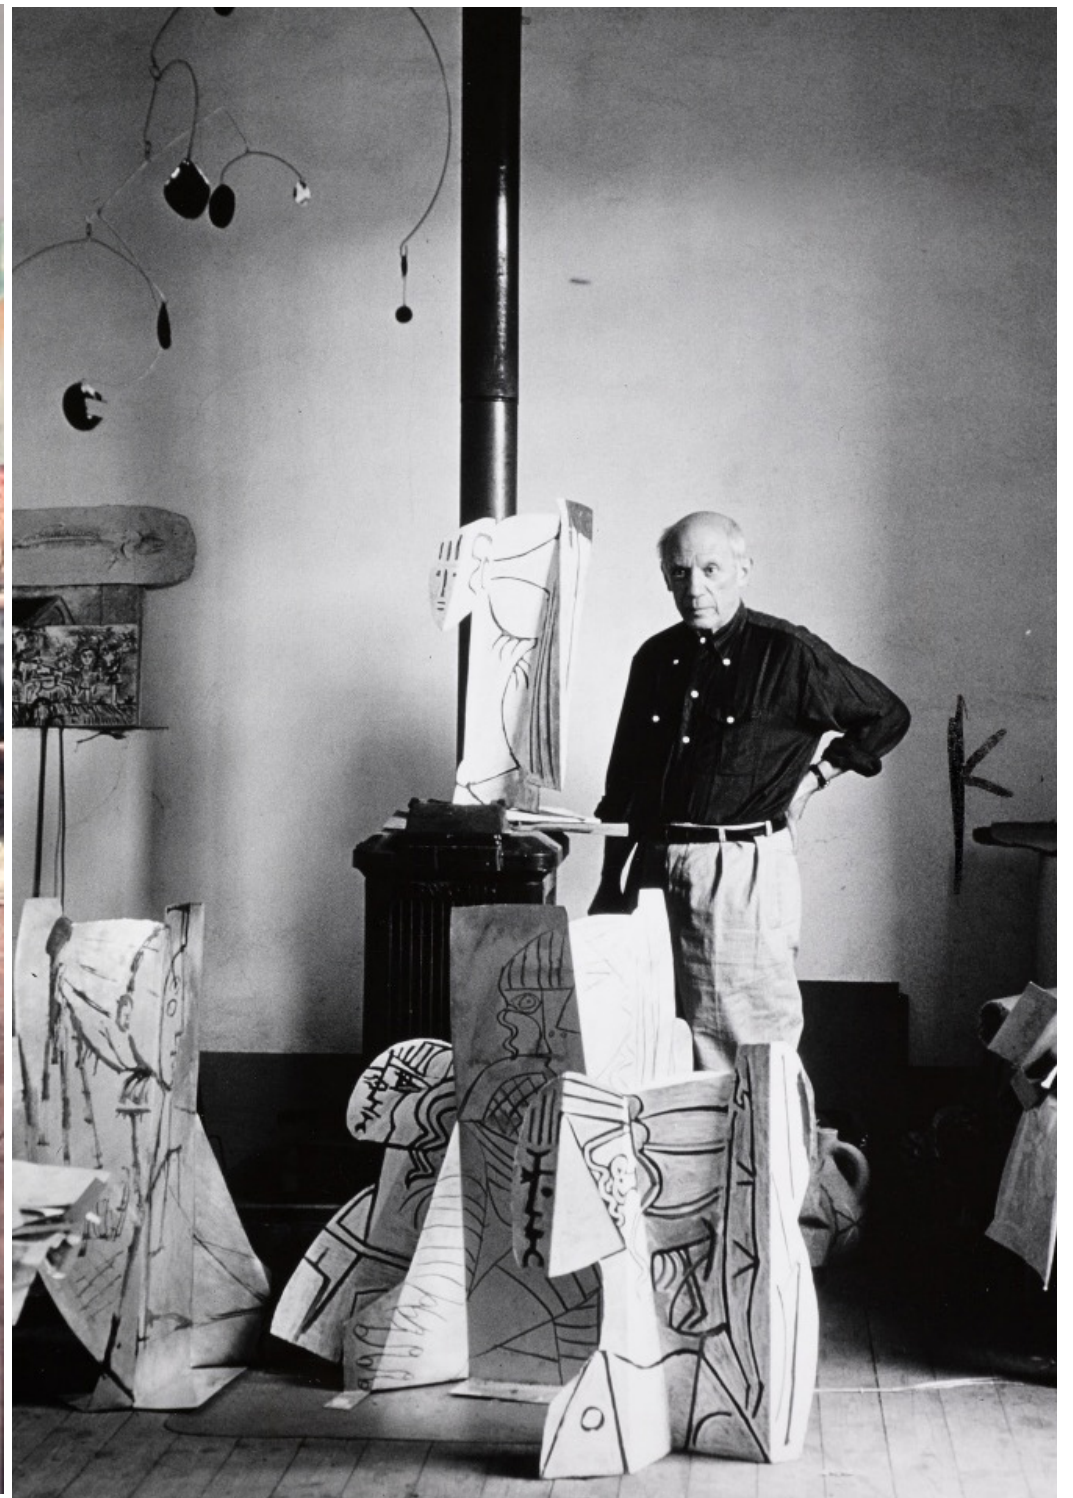

While some artists are famous for only one style,

Picasso is famous for many!

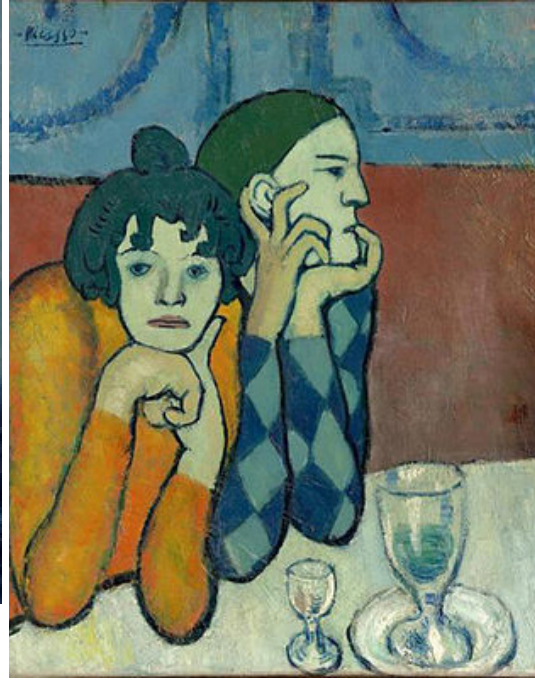

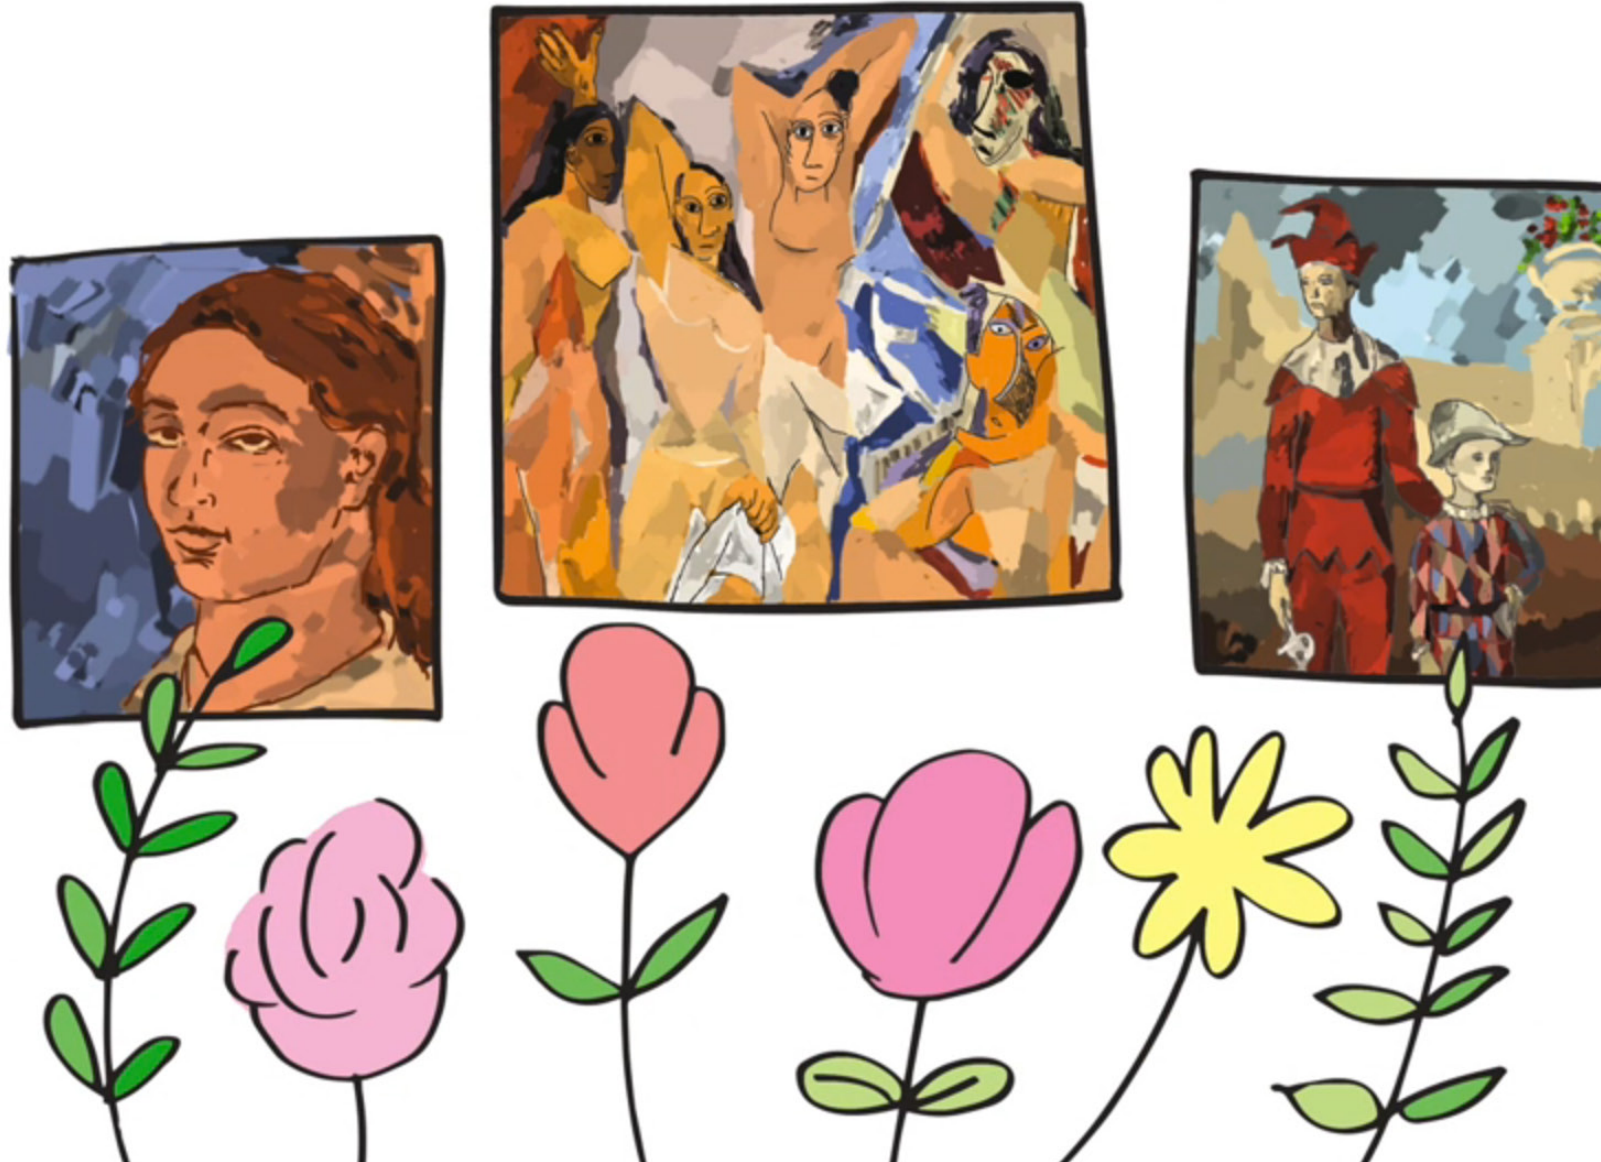

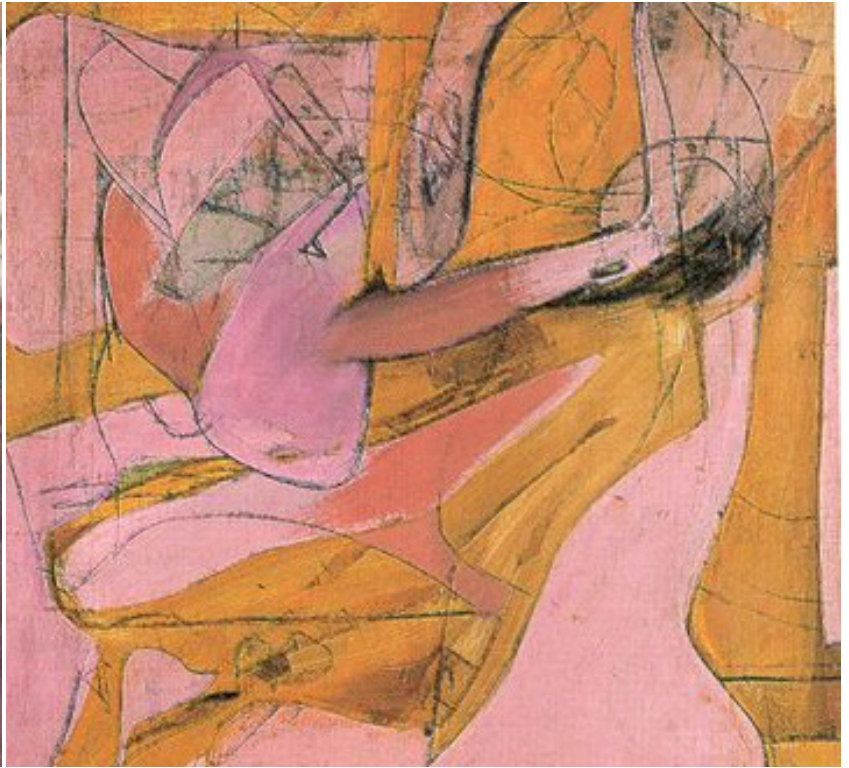

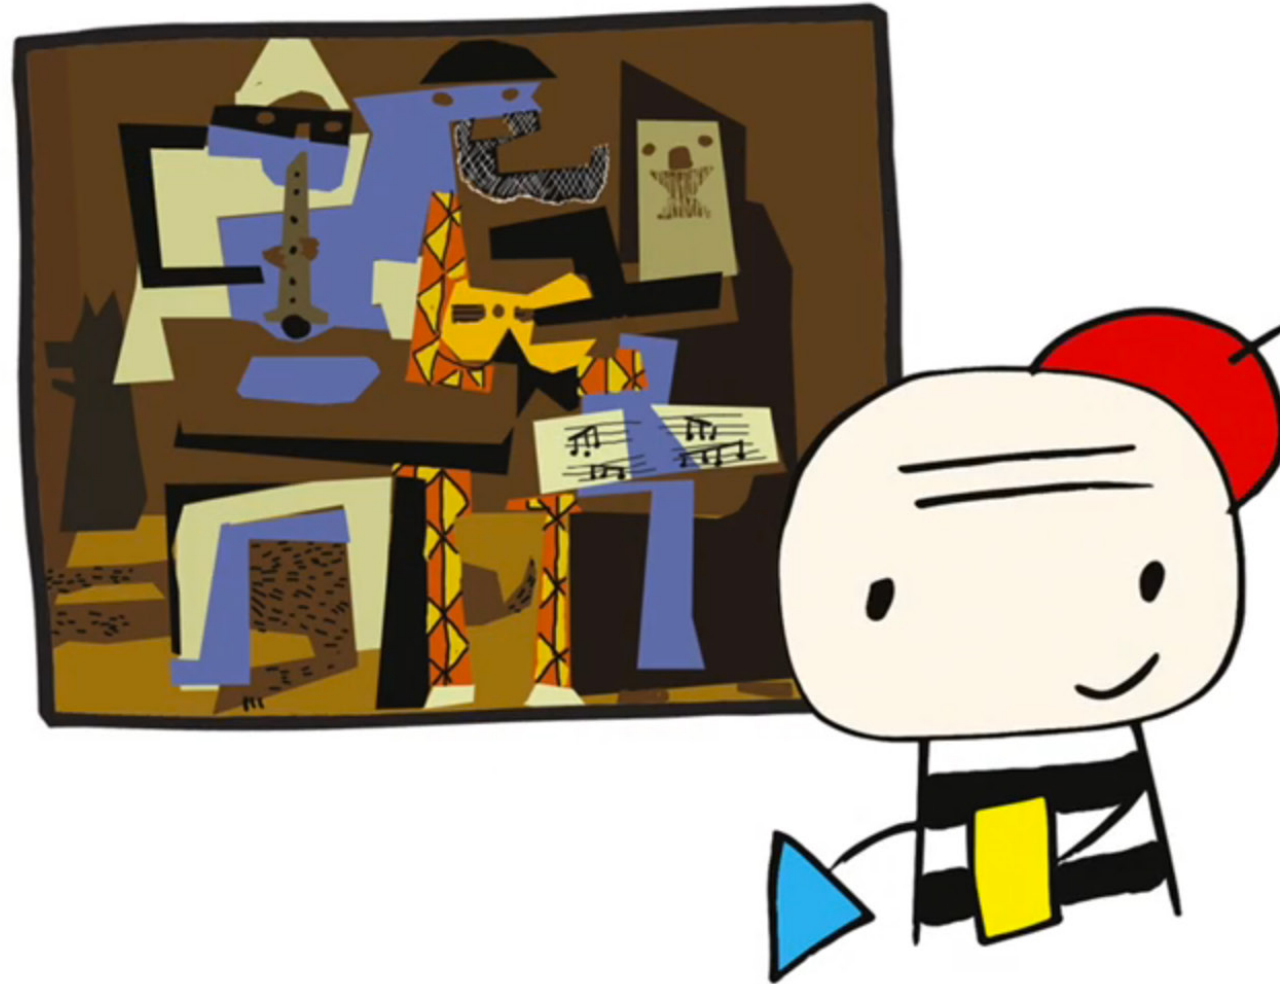

During “The Blue Period,” Picasso was very sad and used a lot of the color blue.

In “The Rose Period,” Picasso used lots and lots of pink. Some say that’s when he was in love.

“Cubism” was a style that Picasso created when he was experimenting with shapes.
